

TUTORIAL VIALOGUES

Profesor: Nino, Santiago Fabricio
ETR TIC – Región 18

Vialogues es una plataforma que permite crear diálogos e intervenciones a partir del uso didáctico de los videos. Para ello puede subir sus propios videos e incluso utilizar otros ya disponibles en la propia plataforma o de sitios externos como Youtube y Vimeo.

The screenshot shows the vialogues website interface. At the top left is the 'vialogues' logo in a red speech bubble. To its right are icons for a user profile and a message. Further right is the word 'EXPLORE' in blue. A search bar with the text 'Search' and a magnifying glass icon is next. On the far right of the navigation bar, the text 'Create an EdLab Account' is circled in red with a small red '1' above it, and 'Log in' is to its right. Below the navigation bar is a video player. The video title is 'The Shape Hunt Is On!' with a red speech bubble containing the number '5'. The video content shows a hand holding a white pentagon-shaped card with the word 'PENTAGON' written on it. A video player control bar is visible at the bottom of the video frame, showing a progress indicator with four circles, the first of which is filled.

About EdLab

EdLab at Teachers College Columbia University designs, develops, and researches learning applications and educational resources to advance innovations in learning and teaching.

Your free EdLab Account grants you access to the EdLab suite of tools - products that enhance the ways you learn, teach, research, and share information. Use your EdLab Account to explore any of the projects below.

Focal Projects

Vialogues

Immersive Video Discussion

Create meaningful, annotated conversation around video. Use Vialogues to supplement face-to-face instruction or as the heart of an online learning experience. A vialogue (video + dialogue) puts you at the center of an immersive video-based discussion that includes time-coded, hyperlinked comments. Teachers can post comments, polls, and surveys to scaffold video content.

Gestionar un vialogue

The screenshot displays the Vialogues website interface. At the top, there is a navigation bar with the 'vialogues' logo on the left, followed by icons for user profile, messages, and search. The main navigation menu includes 'EXPLORE', 'CREATE', and a search bar. The user's name 'Fabricio Nino' is visible in the top right corner. The main content area features a video player on the left, currently showing a black screen with a progress bar and playback controls. Below the video player is a comment input field with the placeholder text 'Enter your comment here. Use 'Ctrl+Enter' to post.' To the right of the video player, there is a section for the video titled 'Video promocinal' with a red notification badge showing '0'. Below the title, there is a description: 'Video promocional de Vialogue, empleado como ejemplo.' and the user's name 'fnino'. A message states 'There are no comments for this vialogue yet.' At the bottom of the video player area, there are icons for favorite, share, and settings (a gear icon circled in red). To the right of these icons are buttons for 'Q&A' and 'POST'. Below the video player area, there are tabs for 'RECOMMENDED', 'VIDEO INFO', 'SHARE', 'EMBED', and 'STATISTICS'. A link 'See all recommended vialogues' is located at the bottom left.
